The Chapter 11 Trustee through her website <http://www.apibankruptcy.com> will make available various documents related to this bankruptcy. Creditors will not receive notice of all the documents, but are urged to review at their convenience all relevant documents posted to the Chapter 11 Trustee’s website. **PURPOSE OF CHAPTER 11 FILING:** Chapter 11 of the Bankruptcy Code will enable the Chapter 11 Trustee to propose a plan which would require paying API’s creditors from API’s assets obtained and liquidated by the Chapter 11 Trustee. At this time, the Chapter 11 Trustee is actively pursuing all available options to maximize the value of API’s assets, marshal them for the benefit of API creditors, and lay the foundation for a plan of liquidation. Check the website for updates on the Chapter 11 Trustee’s efforts as well as her progress in developing a Chapter 11 plan.

**CREDITORS MAY NOT TAKE CERTAIN ACTIONS:** Pursuant to the Bankruptcy Code, creditors are prohibited from taking certain actions against API. Please refer to the website for more detailed information.

**MEETING OF CREDITORS:** API’s representative is required to appear at the meeting of creditors on the date and at the place set forth above for the purpose of being examined under oath. **Attendance by creditors at the meeting is welcomed, but not required.** At the meeting, the creditors may examine the Debtor’s representative. The meeting may be continued or adjourned from time to time by notice at the meeting, without further written notice to the creditors.
